LOCAL LEADER SELECTED FOR INTERNATIONAL HONOR

The International Association of Business Leaders has announced that local business leader, Mr. Sanjeev Kumar, the Chief Executive Officer and Director of the Delamore and Owl Group of Companies, is one of only a select group of businesspersons to be honored with membership in their organization this year. Having been nominated for the Association's annual "Business Leader of the Year Award," Mr. Kumar was selected for Association membership after his qualifications were reviewed by the Award Selection Committee.

Membership in the association is only awarded to business and professional leaders around the globe who have been identified for their leadership skills in the increasingly complex world of international business. Each nominee is carefully interviewed and recommendations reviewed before new members are announced annually by the Association's Membership Committee.
